PREFACE

The Listing of Caribbean Titles, 2007 is the second issue in this series released by the Regional ISBN Agency. This edition which provides information on over 610 titles which were assigned ISBNs in 2007, is based largely on data submitted by the National ISBN Agencies located in the Bahamas, Barbados, Belize, Jamaica and Trinidad and Tobago. Information received directly from other publishers in the Caribbean by the Regional Agency is also included. This product which is also available on CD provides contact information on approximately 258 publishers who were allocated ISBNs during the period.

The information in the Listing can be accessed under Title, Author and Publisher. For more information on the publishers registered with the Caribbean Regional Agency between 1983 and 2008, the Directory of Caribbean Publishers, 7th edition is an excellent related resource.

The Listing of Caribbean Titles, 2008 is scheduled to be released shortly.

The Regional ISBN Agency acknowledges with appreciation, the invaluable assistance of Sandra Barker and Cecily Crum-Ewing in the production of this listing.
